

## Darlene Solheim

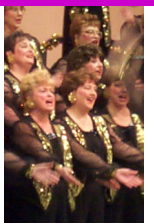

We welcome any questions you may have about Sweet Adelines and our chorus and hope to be able to share our love of ringing overtones and singing four-part barbershop harmony with you in the near future.

Thanks very much for your interest!

President ...**

## Over 20 Years!

The Twin Cities Chorus supports the Harriet Tubman Center throughout the year with numerous collections of needed items, handmade quilts, and a portion of the proceeds from our shows.

The Center provides safe, temporary shelter to women and children who are experiencing violence in the home. Emotional, financial and physical support is offered while health solutions are sought.

The Center offers numerous volunteer opportunities and accept donations of both cash and materials.
